

Nashua Schools Are Out...

FREE SUMMER MEALS

ARE IN!

Helping keep kids connected to nutrition all summer long, Southern New Hampshire Services is once again providing free breakfast and lunch at a dozen Nashua locations this summer.

The Summer Food Service Program is sponsored by the U.S. Department of Agriculture. The program helps to ensure that at-risk youth eat at least one nutritious meal each day when school lunch programs close for the summer.

- The healthy meals are based on USDA nutrition guidelines
- Families save money when their children participate in the program
- Meals are to be eaten on-site at a safe, fun place where kids can visit with friends

**Open to all
children 18
and younger**
NO Identification Required
NO Cost
NO Enrollment

Join your friends for a free meal at the following Nashua locations this summer!
